

APPENDIX B

Summary Schedules of Findings

Landscape Assessment Summary Schedules

Contents:

Schedule 1: Landscape Baseline (Landscape & Visual Designations, Character, Function & Sensitivity)

Schedule 2: Receptors, Value, Overall Sensitivity, Capacity, Comments & Recommendations

Schedule 3: Summary of Key Designations, Functions, Issues & Constraints

Schedule 4: Summary of Findings (Sensitivity, Capacity, Constraints & Comments)

CRADLEY NDP LSCA: SCHEDULE 1: LANDSCAPE BASELINE (Landscape & Visual Designations, Character, Function & Sensitivity)

PARCEL REF	SECTOR REF	KEY BASELINE DESIGNATIONS & FEATURES	LANDSCAPE CHARACTER & FUNCTION	LANDSCAPE QUALITY	LANDSCAPE CHARACTER SENSITIVITY	VISUAL SENSITIVITY
ALL		<ul style="list-style-type: none"> • Within SSSI Impact Risk Zones – Halesend Wood c. 1km north east of East Cradley; Bank and Cother Wood c. 1.5km east of East Cradley; and Malvern Hills c. 3km east of East Cradley 				
1	East of East Cradley	<ul style="list-style-type: none"> • AONB • C. 70m from Conservation Area • Listed buildings in vicinity • UK BAP Habitat (orchard) • PRoW off-site to east 	<ul style="list-style-type: none"> • NCA 103 • LC Type: PTF (adjacent PWH) • Sloping ground on west-facing slopes between hills to E and Brook to W • Orchard • Rural but on settlement fringe • Sparsely-settled landscape east of lane • In open countryside but settlement boundary adjacent at south western corner of site • Forms integral and important part of historic setting and context of East Cradley • At gateway to village from north • Development not characteristic on east / south side of lane • Road frontage to west and south 	High to Very High	High to Very High	High
2	East of East Cradley	<ul style="list-style-type: none"> • AONB • C. 250m from Conservation Area • PRoW close to south boundary 	<ul style="list-style-type: none"> • NCA 103 • LC Type: PWH (adjacent PTF) • Steep, west-facing slope on land between hills to E and Brook to W • Woodland, garden, buildings, hardstanding • Residential in rural landscape • Sparsely-settled landscape east of lane • In open countryside, divorced from settlement boundary • Forms part of historic setting and context of East Cradley • Road frontage to west and north • Significant vegetation 	High	High	Moderate to High
