

Neighbourhood Planning Group

Meeting (2) 26th June 2013

Present—C Lowder T Lloyd-Jones A Eldridge B Gordon

1)Tanya had looked at Colwall Neighbourhood Plan online. We reviewed the questions posed in their flyer and on their website . We were undecided as to whether they were appropriate for Cradley and BG was asked to phone Karen Davis (Colwall Parish Clerk) and discuss how good the responses were.

2)Allen will try to secure appropriate Parish boundary plans –Settlement boundary Maps and Conservation area plans from Herefordshire Council.

3)Tanya went through the Parish Plan Summary Actions – we thought they were capable of expansion.

4)Following a discussion about the closure of the Post Office Allen felt the village needed a debate about what was the heart of the village (something to be incorporated in *our* flyer?).

5)It was noted that we have designated our entire Parish Boundary as our Neighbourhood Plan Area.

6)Next meeting will be to draft an open letter to all Parishoners .

7) Next meeting Wednesday 17th July 7-30 at Brians.
