

Question

6 With respect to facilities within the parish:

6.1 Do you think it important that the village retains its Docto **Responded**

Y	73	N		N/O	1	Of total	100.00%
---	----	---	--	-----	---	----------	---------

6.2 Do you think it important to retain a Dispensary?

Y	72	N		N/O	2	Of total	100.00%
---	----	---	--	-----	---	----------	---------

6.3 Do you think that a Post Office facility is essential?

Y	62	N	5	N/O	5	Of total	97.30%
---	----	---	---	-----	---	----------	--------

6.4 Do you think the village would benefit from a designated area for

Y	47	N	8	N/O	16	Of total	95.95%
---	----	---	---	-----	----	----------	--------

Village green between Storridge and Cradley

Shop / cafe in lower end of village

Stores, surgery, pub, cafe, deli, seating, bowling green, bandstand, play area, footbridges over brook, outdoor gym

See map

Shop open 6 days and place for drinks (pub or tea shop) eg Crown site

Hub with PO, shop, doctor, coffee shop, meeting space

Existing rec areas Chapel Lane / Buryfields

Desirable - playing fields, bowling / croquet / tennis

One per settlement area - church and village hall; surgery and legion

Shops etc on central site near brook

Existing facilities

Pub and restaurant or development of Legion

Would need large area such as field opposite Buryfields

PO and shop

Out of hours sports/ social facility at school

Large green area between settlements could be used for various communal activities

Village hall, green area in Chapel Lane

Village green and building that various groups could use - current village hall doesn't have enough space around it.

Church building to become more flexible and welcoming - should never close for cleaning.

Village Hall and Leys could be utilised. Perhaps building by or at Legion

New shop with facilities for cafe and book lending - within AONB area of old Cradley to provide access for those at Leys.

Make better use of existing areas

Chapel Lane play area when field levelled

In what way? As open space or facility

Already have 2 play areas - perhaps one could have facilities for all ages. Legion and Village Hall already in place

Present village hall

Playing fields - Chapel Lane or area on Bosbury Road earmarked for more housing development

Along road by school not Pixiefield

Develop underused playing field site in Chapel Lane

WE have village hall. Like and will use PO facility but is it essential?

Improve present Chapel Lane play area

Focal point between settlement areas

Located near school - area / building of adequate capacity

Lack a village green

PO needs general stores as well.

A modern central area where facilities central to village life could be developed. Parish hall, shop, open area. The meadow adjacent to kings bridge would make a very central and interesting site to develop.

Larger Parish Hall near to Rectory Lane

Village lacks a good pub and village store and these could be purchased and run on a 'co-operative' basis on a not for profit but for the good of the community basis.

For gatherings, where local children's groups can meet.

I'm not clear as what this means or would entail.

Nice idea to have central area linking both sides of the village but tow play areas already exist and therefore would be expensive to provide & little used. Community use of the school field at weekends would suffice (with toilets & kitchen)

Wider use of the village hall

A new village hall something other than what we have - water meadow Kings Bridge

Cricket ground/football/park area

A cash point facility in the PO would help enormously people who find themselves short of cash.

You questioned earlier if the village had a heart - surely the natural area for this is the area in the vicinity of the village shop, church and village hall? Doesn't this need addressing? Doesn't their problems and inefficient use lead to their comparative isolation and therefore not participating more fully in village life.

occasional use of the church for activities when the village hall is too small might be mutually beneficial.

Much more could be done with the British Legion site. The location is not ideal for everyone but we nearly all go to the surgery. It could include a cafe, shop, PO etc
