

# CRADLEY PARISH COUNCIL

## Allotment Questions

One of the findings of the Parish Plan was strong support for allotments within the village. It is proposed that a suitable site for these is part of the Parish owned Chapel Lane Playing Fields which are currently not fully utilised. The proposal is as follows:

- ★ Utilise the hard surface of the former basket ball court(approx 12m x12m) as a covered area for people to sit as well as a roof offering guttering into 8 fixed water butts.
- ★ 8 no. long beds (20m x 8m) for family plots
- ★ 8 no. half sized beds for single people
- ★ A small orchard of 12 apple trees

**In order to ensure that we have fully consulted with those who might be affected by the allotments located at this site we would welcome your response to the following questions:**
